

August 2011 – Transferee Survey Feedback

My counseling team was wonderful. I felt that they truly were my advocate. They stood up for my rights and refused to let my departure realtor strong arm me. They helped with some Title Company issues at the departure residence as well.

Kristen, Boca Raton FL

They were amazing. It is such a great feeling to know as you go through this stressful process you have the support of an entire team. They always responded quickly, and had the knowledge and expertise to help me feel comfortable.

Thank you to my WHR counseling team. You are wonderful in handling my Relocation process as swift as possible. My lead counselor was kind and patient in guiding my husband and I each step of the way, from buyout agreement to equity statement. He is an asset to WHR. He handled our case professionally. I personally recommended him for a raise and a promotion. WHR has a wonderful crew of workers. I am glad I had WHR; I am glad the US Army uses WHR. I thank you for reading my comments.
