I just can't rate my Counselor high enough with the help he has provided through our home sale process. He, and his team, went way beyond the call of duty when dealing with my wife's and my special circumstances. Throughout it all he was cool, calm, extremely professional and a warm and caring human being! Thank you all for having him work with us!!!!!!

I was initially very skeptical about working with a relocation vendor, as my previous employer moves involved internal employees. However, this WHR team was great to work with - always friendly, helpful, and quick to respond to calls and e-mails. We were very satisfied.

WHR's counselors were amazing. They always made themselves available. They were clear with their explanations and answers to my questions. If there was anything that they did not know the answer to, they either found out and immediately responded to me or were able to direct me to the people I needed to talk to.

Darren S, Broken Arrow OK

Juanita W, Palm Bay FL

My Counseling team went out of their way to help me understand the process, answer my questions, and even listen to me when I had a concern about the customer service at the new lender. They were a great team, and made our relocation process simple. A special thank you to them for their top-notch customer service to us.

Tim P, Orlando FL

My WHR team was absolutely terrific. My prior company's relocation was a disaster and the coordinator was horrible. But WHR was quick to answer my questions, weren't pushy and focused on me. Best move ever thanks to them.

My Counselor was the best. She deserves special commendation if this is how she treats all of her clients.

My team was great. They even helped me with things that technically were not their responsibility when I was having trouble with the purchase of a house. They were always willing to help and very prompt. Great Team!
