MOVING CHECKLIST

We've collected everything you'll need to do in the months leading up to your big move in one simple Moving Checklist for you.

9 Months Before Your Relocation

- Apply for Visas or permits
- Research expat groups or interest meetups
- Search airfares – determine the amount of luggage you will have
- Determine plans for your current residence
- Determine what you will do with your car and pet(s)
- Plan a vacation to your place of relocation to understand the area

6 Months Before Your Relocation

- Research neighborhoods
- Choose your international moving company
- Get shots, vaccinations, boosters, or any medications you might need
- Consider hiring a real estate agent
- Take out moving insurance, if additional coverage is necessary
- Consult with an international health advisory professional

3 Months Before Your Relocation

- Book your flight
- Confirm move date
- Arrange short-term accommodations if you haven't found a home yet
- Gather your children's medical and educational records
- Slim down your belongings through donations, garage sales, eBay, etc.
- Determine if you will be keeping your banking account (consider banking partnerships)

1 Month Before Your Relocation

- Arrange postal re-direction
- Gather travel documents
- If closing your banking account, notify your bank and find out the necessary actions to take
- Start packing
- Cancel your bills and monthly withdrawals
- Research phone plans/apps to stay in touch with family and co-workers
