HOUSEHOLD GOODS MOVES

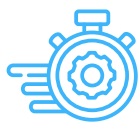

What We Provide

Innovative Approach to Global Household Goods (HHG) moves that ensures customer Satisfaction, competitive bidding platform, lower claim levels & fast claim resolution.

Technology Allows Real-Time Event Management touch-points with transferee throughout move process.

Opportunity Board Platform in real-time allows HHG van lines to only bid on opportunities they want and pass on those they don't.

Real-Time Digital HHG Inventories by WHR eliminate need for on-site shipping estimates.

How We Manage Partners

WHR Does Not Have Ownership or Vested Interests in any providers built maintains preferred relationships with prequalified van lines, third-party household good providers, & car carriers.

Surveys are Sent to Transferees in real-time throughout the HHG move process to confirm on-time schedules & monitor a mover's performance throughout packing, loading & delivery

Transferee Survey Metric for Mover Performance are scored, monitored & scrutinized for future business.

WHR Selects the Best Can Line for Each Move that meets requested dates, has the greatest transferee past performance satisfaction rates, lowest claims, most competitive pricing & highest on-time delivery history.

Our Passion

Advancing Lives Forward™ and Making the Complex Simple

Our Values
